

Three small starts. No app needed.

Choose one. Try it together. Keep the links for another day.

01 / WEB SAMPLE

Match two Japanese letter shapes

Open the English web page. Match the two shapes with your child before installing anything. This small sample has no audio or tracing; it is not a full Japanese lesson.

02 / PHOTO-CHOICE GUIDE

Choose a photo before coloring

Compare two photos before conversion: a clear subject, a quieter background and important edges kept in frame. Save the guide's image checklist. These tips do not promise clean lines or gap-free fill areas.

03 / PRINTABLE PHRASE CARDS

Point to a phrase, together

Open page 9 of the Korean-English pack: eight phrase cards. Use the whole sheet; pointing is optional. For real help, seek a trusted grown-up without delay. This pack has not been classroom-tested.
